Pg 1

## > 6,000 yrs ago

### The Era of Dragons and Beginnings of Teyvat

- The Seven Dragon Sovereigns ruled in the Elemental Realm surrounded by Vishaps
- The Primordial One arrived and fought the Dragon Lords for 40 years
- The Ley Lines in Natlan were damaged during the war
- Xiuhcoatl, the Pyro Dragon King, faked his death
- The Elemental Realm was turned into the world of Teyvat & prepared for human arrival
- Humans arrive 400 years after the Primordial One's first appearance
- The Primordial One splits themselves into the Four Shades; with Renova being the Shade of Death and Istaroth being the Shade of Time
- The arrival of the Second Who Came and the ensuing war between them and the Primordial One
- The King of the Dragons, Nibelung, starts his War of Vengeance against a unified side of the Primordial One and Second Who Came

## In-Between 6,000 & 3,700

- Enkanomiya falls into the sea and is forgotten by all except Istaroth
- The Seelies are cursed after the union of a Seelie and a traveler from afar, witnessed by the Moon Sisters at the Lunar Palace
- The Primordial One sends skynails down to fix Teyvat after the war
- The fog is created on Tsurumi Island after one of the skynails hits, shortly after the tribe there started to worship Kapatcir
- Yohualtecuhtin, Lord of the Night, fixes the Natlan Ley Lines with Renova's guidance
- The Primordial One forbids knowledge of the war and all history prior
- Egeria is made to be the new heart of the sea by the Primordial One
- Ajaw is imprisoned (according to Ajaw)
- Zhongli, the eldest of the Archons, was born
- The Sun Chariot, piloted by the Morning Stars, fell and created the Chasm
- Two of the three Moon Sisters perish
- The Third Descender arrives & causes war, after losing they are turned into the Gnoses
- Zhongli descended and lowered the tides and raised Mt. Tianheng
- The Guili Assembly was started
- The Helios in Enkanomiya is created, and the Sun Children are worshipped

# The Teyvat Timeline

Pg 2
